

August 6, 2008

Tennessee Building Officials Association  
Mr. A.B. Crofford  
6462 Stage Rd.  
Bartlett, TN 38134

Dear Mr. Crofford:

On behalf of Martin Methodist College and most especially its students, I want to personally thank you for the Tennessee Building Officials Association's recent scholarship gift of \$1,000.00 for Kasey Kyle. It is your generous support that makes it possible to continue our many fine programs.

Commencement exercises brought to a close the Jubilee 2008 Weekend on May 3<sup>rd</sup> as 125 graduates received their diplomas. On Friday, May 2, the Division of Nursing honored its first-ever six graduates during a special pinning ceremony in Martin Hall Auditorium. Later that night during the Jubilee dinner, Alumni siblings William Fowler and Eleanor Fowler McCrickard received the Hall of Distinction award and alumnus and longtime trustee Ed Harmon received the President's Medallion. Also honored that night were members of the President's Society.

The newly renovated natatorium has re-opened, and the summer hours have been set. For the full schedule of the MMC Health Club, including the pool, and membership fees, visit the College's website at [www.martinmethodist.edu](http://www.martinmethodist.edu). The third annual Martin Methodist College Faith Night with the Nashville Sounds, the AAA minor league baseball team in Music City, was held on June 22 and freshmen were on campus recently for orientation, preparing for the 2008-2009 academic year.

As a benefactor, you represent a very important part of the many important things that are now happening on the campus of Martin Methodist College. We remain grateful for your generosity and interest.

Sincerely,

Dr. Jack L. Gregory  
Vice President for College Advancement
